

GIVING BACK TO THE DEPARTMENT OF SURGERY

So Many Reasons to Give.....

One of the easiest ways to support our efforts at the University of Miami, Department of Surgery is to *get involved*. We are thrilled by the support we've received thus far and are excited about the opportunity for involvement. No matter what size, your *gifts play a key role* in the success of the Department. There are opportunities to participate in a wide range of projects that provide support for research, education and training. Whatever you decide to support, you can know that your gift will help you to *leave a legacy* you can be proud of.
